Description

AVENGERS: INFINITY WAR

GROOT

1/6TH SCALE COLLECTIBLE FIGURE

Arriving shortly, Marvel fans are all excited about the forthcoming blockbuster Avengers: Infinity War landing in cinemas this April and it seems like Groot has grown up a little more from the last time we met him. Under the care of the Guardians, he struggles to find the way to prove himself a dependable hero. As fans everywhere are counting down to the release of the movie, Hot Toys is extremely excited to introduce the latest version of 1/6th scale Groot collectible figure!

The extraordinarily movie-accurate Groot is expertly crafted based on his appearance in the film, featuring highly detailed head sculpt and two interchangeable face sculpts with stunning likeness, impressive paint application on his body reflecting his distinctive appearance, blaster rifle, handheld game console and a movie-themed figure stand with movie logo.

Upgrade your Marvel collection with the newest 1/6th scale Groot Collectible Figure home from the next massive battle yet in the upcoming blockbuster!
