Description

AVENGERS: INFINITY WAR

THOR

1/6TH SCALE COLLECTIBLE FIGURE

The war between Avengers and villainous Thanos will finally hit the silver screen this upcoming May in Avengers: Infinity War. Superheroes will join force to fight Thanos, while the fate of the Earth and the Universe hangs in the balance! Fans around the world will witness the mighty God of Thunder to find himself confronting the unstoppable Thanos! Today, Hot Toys is pleased to officially introduce the 1/6th scale Thor collectible figure from Avengers: Infinity War!

Sophisticatedly crafted based on Chris Hemsworth's appearance in the film with astonishing likeness, the Thor collectible figure features a newly developed head sculpt with specially applied luminous reflective effect on the eye that accentuates Thor using his thunder power, a newly developed muscular body with two pairs of interchangeable arms, intricately detailed body armor with LED light up circle plates and lightning effect accessories, a detachable red-colored cape, detail recreation of Thor's new weapon Stormbreaker, and a specially designed figure stand with movie logo.

The God of Thunder collectible figure is a remarkable masterpiece, and it is definitely a treasure for all Marvel fans. Pre-order now before it's too late!
